Riding the continued success of her latest Grammy-nominated release, “COAL”, Kathy Mattea brings her country, folk, and American roots music

To (CITY/VENUE)

On (DATE)

At (SHOW TIME)

The show, featuring Kathy’s band of stellar musicians in an “unplugged”, acoustic configuration, draws material from her recent traditional folk collection of songs from the coalfields of Appalachia, as well as new twists on her best-loved signature songs, “Love at the Five and Dime”, “18 Wheels and a Dozen Roses”, “455 Rocket”, and “Where’ve You Been?”, to name just a few.

Twice named Female Vocalist of the Year by the Country Music Association, Kathy Mattea carved out a role for herself in the late 1980s and 1990s as a sensitive yet energetic artist, at ease both with country tradition and free-ranging innovation. The West Virginia native won her first Grammy in 1990, earning the Best Female Country Vocal Performance award for her moving “Where’ve You Been,” co-written by husband Jon Vezner. With close to thirty Top 40 country hits, including 15 Top 10s and 4 Number One entries, and five gold albums and a platinum-selling greatest hits compilation, she is among the most successful women in the genre’s history, yet her creative spirit has led her to explore musical territory extending well beyond its confines.
